

Hiring has never been more challenging than it has been over the last year.

With the season coming to a close (seasonal businesses are closing) and unemployment benefits ending, there is an opportunity that there may be more potential people available to hire.

We want to help you get the word out that you need these people to come work for you.

We are here to be a resource so we have designed a program that is specifically for recruitment and at a large discount (80% off) of our regular commercial pricing.

Run 20 :15 second recruitment ads per station on the 2 stations of your choice with the schedule below. Pick the stations you would like:
